After marrying Jane on April 7, 1963, in Dyersburg, TN, he moved his family to Murray, KY, in 1973 when he went to work at Fisher-Price, where he worked for more than 10-years before accepting a position with Mattel toy company in Manila, Philippines and then pursuing other roles with Tupperware in South Carolina and with Sweetheart Cups in Texas in 1990.

Sonny loved to play golf with Chet Wildey and his friends at Oaks Country Club but his most treasured time later in life was being PaPaw to his 3 grandchildren who brought him the greatest joy.
