

Minutes for Chapter Meeting
January 11, 2020
Denton Chapter #23, Texas SAR

10:00 AM

President Mike Connelley explained to the attendees that the inclement weather (heavy snow) had significantly affected attendance. Only 4-chapter members were present (Mike Connelley, Chris Strauss, James Johnson and Tom Richards) along with two prospective members, Brandon Story and John Beasley; our speaker James Alderman, Van Zandt chapter, Fort Worth and T L Holden, Texas SAR registrar advisor.

The decision was made by chapter president Mike Connelley to not hold a formal meeting of the chapter due to low attendance /lack of a quorum (minimum of 5 members attending needed for a quorum). An informal gathering was held with James Alderman giving a shortened version of his presentation on "Christianity during the American Revolution" and a discussion with the two guests as to requirements for membership in the SAR and the process of gathering acceptable data.

11:00AM

The informal meeting was concluded. The next scheduled meeting is Saturday, 10AM, April 11, 2020.
