Happy New Year !

I

I hope that you had a wonderful holiday season and are ready for a great 2023. Hill County Chapter will get things going in the new year with 2 dynamic and inspiring programs in January and February. January 10th we will host Pat Blackman, a fellow Compatriot from the Boerne Chapter. Pat will be speaking about "**Von Steuben, Kosciusko, Pulaski and Lafayette: How a German, two Poles and a Frenchman Helped America Win Her Independence.**" Pat is a dynamic speaker and will be talking to us about an exciting topic. You don't want to miss it!

In February Professor Don Frazier, Schreiner University and The Texas Center Director, returns to regale us with "**Washington Grows Up: From Hotspur to Hero.**" Don is not only an entertaining and informative speaker, he is

awaiting the approval of his application the SAR. Dr. Frazier will be a superb addition to our chapter.

We have other special speakers lined up for your listening pleasure. More information to follow.

I look forward to seeing you next week at our January meeting. In the meantime, best wishes for a Very Happy New Year!
