

Dear Compatriots, DAR Sisters and SAR Applicants/Prospective Members,

The Hill Country Chapter of the SAR kicked off 2023 with a super meeting in January. We had a very good turnout, especially with the DAR and prospective members bulking up our attendance.

Not to be outdone, we have another meeting coming up in 2 weeks on February 14th. Dr. Don Frazier, Professor and Director of The Texas Center, Schreiner University, will be speaking to us again, this time about George Washington. If Dr. Frazier holds true to form, he will hold us spellbound with his knowledge and information. The last time he spoke my cheeks and ribs were sore from laughing so hard. This is one that you want to make sure to attend. And where else can you get a wonderful meal like the folks at RAILS serve us? We will also be inducting a new member into the chapter! We are starting to grow and it really feels great.

Please RSVP NLT 5:00 p.m., Thursday, February 9th so that we can have a meal prepared for you and a chair for you to sit it! Information follows.

In Patriotic Service,

Bill Sole
President, Hill Country Chapter #31, TXSSAR
