## Other Happenings in Independence #40

Thirteen members of local first responder organizations (College Station Police and Fire, Bryan Police and Fire, TAMU police and medical response) attended the annual recognition dinner held at Sul Ross Masonic Lodge. The recognition of these men and women by us is a small token of what we owe all those working day and night to protect us and attend to us when we are sick, injured or need assistance .

Thank you to officers and past officers of Sul Ross Lodge, Independence Chapter and to all members who attended and assist in recognizing those that protect us.
