Kim Morton announced that currently the membership is 75 with 2 pending applications in Louisville awaiting approval and others in the process. We hope to have 80-85 members by the end of the Texas Society, SAR Calendar year, March 31, 1995.

The Keynote speaker was Robert L. Schaadt, Director-Archivist of the Sam Houston Regional Library & Research Center in Liberty.

Several board members met with a book bindery representative and gave him partial copies of the manuscript. These were sent to two bindery companies for binding as samples of their work. We anticipate having the samples at the March 16, 1995 meeting for perusal. The bindery representative's preliminary numbers indicate that we should be able to sell the books at a pre-published rate to members only for \$25. These will be personalized books with a membership certificate for the purchasing member bound into the book.

We anticipate selling the book to the public for \$30, but remember these are anticipated prices contingent on the bid offered by the bindery.

Please keep in mind that the purpose of this book is two fold. This is the first for a SAR Chapter and will be an excellent proof source in the future. The other purpose is to make money for the Chapter.

The pre-published price of the books will be good until May 1, 1995 with paid reservations setting the number of first editions.

Your personal profile is needed by March 16, 1995 in order to be included in the book. Samples for guidance are enclosed.
