**The Social Studies Conference  
Embassy Suites and Convention Center

Frisco TX 75034  
31 October and 1 November 2025**

Compatriots,

I am on a quest. Under the guidance of the Texas Society SAR, I am setting up an information booth at the Texas Council for the Social Studies Conference at the Embassy Suites and Convention Center in Frisco, and I am looking for volunteers to help me man the booth.

The conference will be held on Friday, October 31st and Saturday November 1st from 8:00 am to 5:00 pm on Friday and 8:00 am to 4:00 pm on Saturday. We are expecting at least 500 to 700 history teachers and administrators. I did this booth last year in Round Rock and it was a great success.

I would like for each shift to be at least 2 hours – more if possible. Period clothing would be great, but not absolutely necessary. I will be in Continental Uniform both days.

We will be discussing Membership, Youth Contests, and Revolutionary War Rarities. There will be handouts and sign-up sheets available for each area.

Please email me if you have any questions or would like to volunteer - At [Spiderfire@live.com](mailto:Spiderfire@live.com).

Respectfully,

Jerry D. Martin, M.Ed.

## 2026 SAR Dues

Compatriots,

2026 Online Dues Payment is now available. Dues Invoices have been posted to the [texassar.org](http://texassar.org) private website and are available to pay 2026 dues. For those of you who have a deliverable mailing address, your 2026 Dues Notices should be arriving in your home mailbox within the next few weeks. These are sent Bulk Mail to your address of record as of September 1st. If you do not receive one by Thanksgiving, please check for your notice online and help us update your address.

Texas SAR has voted that Junior Members will not be required to pay dues for 2026. Keep in mind that your dues are considered late on January 1, 2026. If they are still unpaid 30 days later, NSSAR will drop you from the rolls, and you will start to show a gap in your service and not get your magazine. So...please pay them online or by mail as soon as you can to help your Chapter and avoid a lapse in your SAR Service! As in previous years, you have 3 options for paying your dues:

**Online/Paypal (option 1)** - We encourage everyone to use this option and pay your dues by credit card through Paypal. [Click here for the online dues payment page](#) and enter your National SAR # and Name as it appears on your Membership Certificate. Then select your primary chapter and any others you maintain dual membership with and follow the checkout procedures. This is operational on the TexasSAR.org website NOW. PayPal fees have been removed for 2026 Dues payments. As mentioned, this online Paypal form also allows for secondary (dual) chapters to be added for those wishing to pay as a dual member.

**US Mail (option 2)** - You simply take the bottom section of the dues invoice you receive in the mail and send a check for the amount indicated with the pre-addressed envelope, stamp it, and return it to us by US mail. This is to be for your PRIMARY Chapter Dues Statements - it only includes dues for your Primary Chapter, State Dues, and National Dues where applicable.

## 2026 SAR Dues (Cont'd)

**US Mail (option 3)** - Use this option if you want to pay by check, but did NOT get a dues notice in the mail or you want to pay NOW for whatever reason. [Click here for the online dues invoice page on the private site](#), grab your dues notice online, print it out, and mail it back in with a check. This option is available NOW on the TexasSAR.org website. As mentioned, this online Paypal form also allows for secondary (dual) chapters to be added for those wishing to pay as a dual member.

**Donations** - As many of you are aware, our society has many beneficial funds that you can donate to for great purposes. Each year, when you renew your membership is a great time to donate to one of several great options. All Donation \$ will be allocated as you indicate on the form. Please review the items listed in the donations section of the online dues payment page and support these worthwhile programs. Thank you for your continued support of our programs!

## The Civil Air Patrol and the SAR

Contributed by Drake Peddie

The Civil Air Patrol (CAP) is a very worthy organization that has been doing many good things for many years. While the SAR in Texas, does not have any formal programs or infrastructure to support CAP, the SAR has recognized CAP members and done some programs with them in the past. As a matter of fact, while I was president, I gave a Silver Good Citizenship medal to a CAP member down in the Houston area 4 to 5 years ago. Likewise, at the national level, there are no formal programs associated with CAP, if there ever were to be at NSSAR or Texas SAR, it would fall under the Americanism Committee and be similar to either the JROTC or Public Service Awards. There are some states that do have a stronger association with the CAP than Texas, but there is nothing at the National level as it lacks the support to get national attention to the level of a supporting committee and someone to champion it.

For over 20 years, the SAR in Texas has talked about formalizing programs for the Civil Air Patrol, the Sea Cadets and 4-H. The only one to formally recognized and continues to garner good support is 4-H. Texas is one of only about a dozen states that supports 4-H and has an annual 4-H Oration Contest (different from the Bigger Oration Contest) and annually presents awards to 4-H (scholarships and medals) presented at the state convention. This has been done for about 5 years and exists, because a 4-H benefactor came forward, to set aside funds for the annual award and set up the infrastructure to manage the 4-H program in Texas. No one has ever come forward to champion neither the Sea Cadets nor the Civil Air Patrol and organize a state committee and share the information with our 50 Texas Chapters to get it going. Nothing at the national level exists either.

## The Civil Air Patrol and the SAR

Contributed by Drake Peddie  
(Cont'd)

All that being said, new contests do come up and gain support with the states and get approved by National. So there are always good opportunities for Sea Cadets and CAP. In 2020, the State of Washington came to Texas to ask for their support with a Video Contest to be added to the Youth Contests. Texas actually formalized the program and had participants before Washington and the other states who initially tried to do it. Last year in Congress, it was formally approved as a new Youth Contest.

At a minimum, presenting this info to local north Texas Chapters is worth pursuing and CAP members can be recognized by Bronze Good Citizenship medals presented by the chapters. So not sure if that answers everything, but it should tell you enough to determine where you need to start if you would like to pursue this new program with Texas SAR and beyond.

Drake Peddie

## The 2025 Activities Celebrating President James Monroe's 267th Birthday

Westmoreland County Ceremony  
The Birthplace and Visitor's Center  
4460 James Monroe Highway Colonial Beach VA 22443  
5 October 2025 2:00pm

Starting at **2:00 p.m. at the Birthplace**, the 267th anniversary ceremonies are expected to include local and state elected officials. Come to see both the **Birthplace House** and the exhibits at the **Visitor Center**. The ceremony will be in front of the Birthplace House again, rather than in front of the Visitor Center. See [www.monroefoundation.org](http://www.monroefoundation.org) for the Birthplace location at 4460 James Monroe Highway (State Rt. 205) just outside of Colonial Beach.

Please remember that President Monroe was the only President besides George Washington to have actively served in the regular army during the Revolutionary War, participating in six major battles (as well as wintering at Valley Forge, crossing the Delaware with George Washington, being seriously wounded at Trenton and cited for conspicuous bravery) and subsequently served simultaneously as Secretary of War and Secretary of State (during the War of 1812, when he helped coordinate American defenses against the British). He was also an active participant in our first American lineage society, the Society of the Cincinnati.

***When James Monroe and other patriots seized the Virginia Governor's Palace on June 24, 1775, and distributed its armory of muskets, pistols, and swords to the Williamsburg militia, that act began the Revolutionary War in Virginia. Let's celebrate that 250th anniversary by honoring James Monroe in proper fashion!***

We hope that you will be able to participate with us in this commemorations to emphasize the role of this great Virginian and Founding Father in establishing our country, and its system of government and values.

**A Special Item to Mark the  
40th Anniversary of the  
Plano Chapter of the SAR**

The Plano Chapter #37 of the SAR observes its 40th Anniversary next year in 2025. To celebrate the event, the Chapter Board has commissioned a Commemorative Celebration coin which is intended to both recognize our anniversary and to enhance our budget funds as a fundraiser.

The coin is a full color 2" antique brass coin. The front shows a rendering of the famous Minute Man sculpture by Daniel Chester French, presently standing in Concord in recognition of the Battle of Lexington-Concord. The reverse celebrates our chapter and gives our founding date.

This impressive coin is available to all chapter members for a \$20 donation to the chapter. Donations will enable our chapter to fund even more of the activities and awards we engage in to support veterans, youth awards, public service awards and more.

Please consider making your donation this calendar year. Personally, I plan to get five of the coins to use for recruiting awareness and for recognition.

Make your donation check payable to **Plano SAR Chapter #37** and send it to **Treasurer Scott Knightly at 3121 Satsuma Drive, Dallas TX, 75229**. You will receive one of the coins in return.

Let's make this a successful recognition program and fundraising opportunity.

## The SAR Education Center and Museum Liberty Tree Campaign

### A Message from SAR President General John Dodd

Greetings Compatriots,

It is with great pleasure that I inform you of a momentous development in our ongoing efforts to honor and preserve the legacy of our Patriot Ancestors. The Commonwealth of Kentucky's 2024 budget includes an allocation by the Kentucky General Assembly of \$5 million in the upcoming fiscal year to support the construction of the SAR Education Center and Museum in Louisville!

This monumental decision brings us closer to completion of your state-of-the-art facility that will enlighten and inspire citizens for decades. This important funding will keep construction on track, aiming for an opening date in 2026, coinciding with the 250th anniversary of our great Nation.

As we approach this historic 250th Anniversary, the importance of fostering a deep appreciation of our heritage and the principles upon which our country was founded cannot be overstated. The SAR Education Center and Museum will honor the sacrifices and ideals of our patriot ancestors, inspiring and educating present and future citizens to uphold their values of liberty and self-government.

Even if you have supported the project in the past, as our dream becomes reality, I encourage you to consider an additional contribution. The Liberty Tree Campaign is the easiest way to give. A small, recurring, monthly credit card contribution is the simplest way to make a difference. For those who are able, naming opportunities begin at \$100,000.00. Please contact Phil Bloyd for details. Thank you again for your support and for your important work on behalf of the SAR.

Yours in patriotism,

John L. Dodd  
President General, 2023-2024

## Patriot Stories

**Contributed by Drake Peddie  
Regarding his Patriot Ancestor  
Garrett Dominicus Conover**

Garrett Dominicus Conover was born 12 March 1756 in Middlesex County, New Jersey to Dominicus Johnse Covenhoven and Hannah Mary Updike (Updycke), both of Dutch ancestry. Garrett was my fourth great-grandfather. Dominicus was my fifth great-grandfather. Garrett was the middle of five brothers born between 1752 and 1769 to Dominicus and Mary. All 5 brothers and their father born in 1730 were documented soldiers in the American Revolution.

During the American Revolution, it was pretty common practice for soldiers to be with the troops for 3 months at a time and then go back home for a few weeks, to take care of the family, the crops and farm animals on the family farm. So while the troops were building up near Monmouth Courthouse. Father Dominicus left the troops to go home to do just that with his five sons waiting to take on General Clinton and the British Army in Monmouth. So on a hot summer afternoon in June 1778, Dominicus and his horse went out to literally the back forty to plow the wheat field that was past due. After about 30 minutes, a very strong thunderstorm came up and temporarily halted the plowing activities. Unfortunately, Dominicus had not read Ben Franklin's work on lightning, flying kites and electricity and chose to take cover with his horse under a very large tree. Sadly, both Dominicus and the horse were killed when a bolt of lightning struck the only tree in the wheatfield where he chose to take shelter. So he never returned to the war. Believe it or not, he is still listed as a deserter - AWOL. For this reason, he name is blacklisted in the DAR archives and cannot be used. He is buried in Middlesex County, New Jersey.

All his sons came home from the war when they heard and ended up missing the battle of Monmouth. They later rejoined the troops and fought for most of the remainder of the war. After the war, Gerrett Conover and all four of his brothers and families moved to Kentucky in what would eventually be Columbia, Adair County, Kentucky. He died on 28 March 1826. The Conover clan eventually moved on to Springfield, Illinois in the 1840s and were scattered among Union soldiers in the Civil War.

## How Was Military Equipment Maintained During the Revolutionary War?

During the Revolutionary War, **artificers** supported the Continental Army. Simply put, artificers were skilled artisans and mechanics who kept military equipment in good working order so the troops could operate effectively.

They typically served under the jurisdiction of the Chief Engineer in the Quartermaster General's Department, but were separate from other engineer regiments. In the Continental Army, George Washington established a *Corps of Artificers* that was often organized into specialized companies reflecting specific skills. As an example, the Corps of Artificers in the Revolutionary War Compiled Military Service Records shows the service of George Abbot in Capt. Jedidiah Thayer's Company of Carpenters. The Corps also included companies of blacksmiths and sadlers. Other units in the Continental Line included artificers employed by Brigadier General James Clinton at Forts Constitution (Clinton) and Montgomery; Baldwin's Regiment of Artificers; Patten's Company of Artillery Artificers; Post's Company of Artificers; and several independent companies of artificers, including carpenters and bakers.

After Nathanael Greene became Quartermaster General, he appointed Col. Jeduthan Baldwin, on 29 July 1778, to the command and superintendency of all the artificers in the Quartermaster's Department belonging to the Continental Army.
