# Pro Forma Forms for Rankin Use

Rankin chapter members have participated in a variety of events, such as chapter meetings, Wreaths Across America, Fourth of July parades, educational booths, 250th dedications, and many more over the course of the years.

To assist with capturing information for the 250th medal application, we have created separate forms grouped by category for most of the major events. This format covers the events we know of where most members have participated. You might need to add an event that is not included. You do not need to use these forms; you may use the completely blank ones found on the National website.

We have pre-filled the NSSAR application with certain information: (1) Chapter, State Society, and Organization Size, (2) Names of events and the dates. Each set of forms is good for 9 events and thus there are multiple files for your use. The pro forma forms were created by DAR member Jennifer Jackson to whom the Chapter is indebted.

The applicant must insert their name and then claim the appropriate points to which they are entitled. The maximum number of points for one event is 28. To earn 28, you must have chaired the event, attended the event, and attended the event in uniform.

Chapter meetings count but they must have a clearly identified 250th moment to qualify for the form. We made a conscious effort for every meeting beginning in 2024 to adhere to this requirement. Accordingly, we have forms for 2024, 2025, and 2026.

Compatriot Steve Vetters, working with President Jerry Martin, has a spreadsheet and captures attendance at various events. Since he is the secretary and it is reviewed by the chapter president, this is sufficient record keeping for the Bronze Medal to be awarded. Once you have qualified for the Bronze Medal and you wish to receive it, you should send $35 to the chapter and contact the president to determine when the presentation of the medal will take place.

To be awarded the Silver and Gold Medals you must fill out the forms. Once you have filled out the form, you must submit them to the chapter president for his approval, and these then will be submitted to the appropriate individual at the Texas SAR level. This individual will give you the appropriate document to purchase the Silver Medal. He will sign the forms for the Gold Medal and these will be submitted to National designee, who in turn will approve the form and issue the appropriate certificate permitting you to purchase the Gold Medal.

Should you have any questions about the forms, please contact Compatriot Tom Jackson.
